Adventures Among Us

The main focus for Adventures Among Us is local tourism and events. We typically focus, promote, and highlight events that are family friendly, affordable, and close to home. However, we don't forget "date night" and "gal pal" road trips as moms and dads need to escape also. On Adventures Among Us website we have a calendar of local events in Madison County and surrounding counties, we have photos of where we have been, and a "cool" small town of the month. The cool small town month is a coveted spot as during that month, we list all the local happening, cool places to visit in that town or nearby, and will add photos to make people want to visit that cool small town.

On the sidebars of the blog you will see Proud Supporters of Adventures Among Us. These are advertisements for local businesses. We know technology has pushed the possibilities beyond what we ever could have imagined years ago. Adventures Among Us is listed on several major databases and easy to find, so local businesses have joined forces on getting the word out about how great their business is through Adventures Among US. Please take advantage of what technology and this super cool area we live in has to offer; check out www.adventuresamongus.com.
